**Guest Speaker:** Palmer's Stan Roach has taken a 1984 Corvette and turned it into the Vietnam Vette - a tribute to veterans who fought in Vietnam, which Roach did for 14 months as a member of the 1st Marines Division, as well as pay homage to those who died in the Sept. 11 attacks. The Corvette is also a testament to God - Roach is a pastor, and the project is a ministry of his church, the Independent Baptist Church of Anchorage.
